Dear Mr. Smith:

Thank you for submitting the Call2Recycle Stewardship Plan for British Columbia dated February 4, 2010, on behalf of Rechargeable Battery Recycling Corporation of Canada, as required under section 4 of the Recycling Regulation.

I have completed my review of the submission and hereby approve the Call2Recycle Stewardship Plan for batteries used in electronic or electrical products and mobile phones. Please be advised that this approval does not extend to any materials or content contained in the plan that are extraneous to the requirements of section 5 of the Recycling Regulation.

I look forward to working with you to ensure your program is successfully implemented by July 1, 2010. If you have any question about this approval or the implementation of your plan please contact David Lawes at 250-387-3588 or [David.Lawes@gov.bc.ca](mailto:David.Lawes@gov.bc.ca).

Sincerely,
