

Join the Battery  
Recycling Race...

# Winnipeg Waste Ace Contest

October 19 - 25 at  
Winnipeg Public Libraries.

Are you up for the challenge?

We need your help keeping  
batteries out of landfills.

Bring in your used batteries and cellphones to a Winnipeg Public Library branch from **October 19 - 25**. You'll not only support the environment, but you'll also help your library to win. The branch with the most recycled batteries and cellphones will be declared 'Winnipeg's Waste Ace' and receive a donation for library equipment of their choice!
